The CARES Act allows taxpayers who do not itemize to take a charitable deduction in taxable income of up to \$300 on their 2020 tax return. By donating to a qualified organization like the Heard Museum, your adjusted gross income will be reduced by up to \$300—and you can still claim the standardized deduction!

The Heard Museum is a 501(c)(3) nonprofit organization. Proceeds support the mission and programs of the Heard.
